Location: Lagos, Nigeria

Profile

I am a Creative Frontend Developer specializing in React, Next.js, TypeScript, and Tailwind CSS. I believe that building for the modern web means crafting interfaces that feel instant and experiences that are memorable. My background includes building real-time web apps, e-commerce pages, and interactive UI dashboards. I am deeply passionate about responsive design, smooth user experiences, and clean code.

Skills

- Frontend Coding (React /Next.js)
- TypeScript & JavaScript(ES6+)
- Tailwind CSS & SASS
- Responsive Web Design
- Component Architecture
- REST API Integration
